

FedEx is there.

Which means you can be there, too — reaching more suppliers and more customers in more ways than ever.

- Choose from eight different ways to ship internationally.
- Reach more than 220 countries and territories — and 6.5 billion people.
- Import from locations that make up 88 percent of global GDP.
- Export to locations that make up 95 percent of global GDP.

Look closer.
Go to fedex.com/international.

FedEx offers a comprehensive range of services to more than 220 countries and territories.*
